**18<sup>th</sup> April 2020**

Dear all,

Good afternoon. I trust you are fine!

Just a short email to touch base and wish you all a great weekend ahead.

Next week, on the 23<sup>rd</sup> of April 2020, we will be marking our first month since the complete suspension of retail / office operations.

**The COVID-19 progress in Malta seems to be developing quite positively thanks to all those who are staying home and keeping social distancing at the heart of everything they do. It is only through the effort and sacrifice of each and every one of us that we will manage to overcome the current challenge.**

**Even when all this will be over we will need to change the way we do things and we will need to adapt to a new reality. Having said this, I look forward to the new challenges and to hopefully meet you all asap, so as to restart operations. In the meantime, we will do our best to keep company running so that when you will be back we will be able to hit the road running. Fingers crossed!!**

On a different note I wanted to take this occasion to thank each and every one of you for the birthday wishes. Much appreciated.

We are always available to discuss any questions or concerns you may have. If you're unsure about something, simply ask and we'll find a way to make it work for everyone. Above all, we want to remain safe, healthy and calm.

Should you have any questions please feel free to drop me a mail on [covid19@rocsgrp.com](mailto:covid19@rocsgrp.com)  
As always latest updates will be posted on the website [www.rocsclimbers.com/covid19](http://www.rocsclimbers.com/covid19)

Good day, take care of yourself, your friends and your families.

**Social distancing should be your number one priority.**
