Dear Agency,

FYI

Foreign citizens will be given permission to enter the country until this Thursday. After that, foreign citizens will be asked to be in quarantine as well.

In previous weeks, the nationalities banned to travel to Israel have had INAD cases.

In this regard,

- If you have any passenger/group to Israel within aforementioned time frame, communicate with the passenger/group and explain the situation well.
- If you have any passenger/group in Israel at the moment, consider to revise return dates.
- Israel authorities will publish a NOTAM, and it will be shared with you for further precautions.
